To our loyal sponsors and supporters

The last couple of years have certainly impacted our winter months, but we look forward with confidence to 2022 with the club under the new stewardship of Jack Fitzpatrick and Courtney McLean who will take the reins in 2022 and drive our club forward.

In 2021 we saw the a change in our logo with a fresh modern look to move the club forward, and in 2022 we will unveil our new playing jumper and dress that pays homage to our history but reflects our bold and exciting future.

Off the field our club is strong, and we have the best facilities in the league which we are very proud of.

We have a very strong following and our crowd numbers continue to grow. This provides great exposure for our sponsors.

Our sponsorship levels suit all budgets or we can tailor a package to suit your needs.

We will do everything we can to ensure you have a great experience and your business receives value for money.

Our sponsors are the lifeblood of our club and we sincerely thank you for your support and look forward to partnering with you in season 2022.

Yours sincerely and Go Lakers!!

Chris Brennan – President
